Revised 9/2022

What is Library To-Go?

Library To-Go of the Calcasieu Parish Public Library provides personal delivery service to those who are unable to visit a library location due to age, illness, or disability. Library To-Go also delivers library materials to childcare and educational facilities such as day cares, pre-schools, charter schools, and other locations to promote literacy and equality of access for all.

Library To-Go users can check out a variety of library materials, including books, audiobooks, CDs, movies, and magazines. Personalization is a key aspect of this service, and library staff will work with each location to meet their interests and curriculum needs.
